
PRODUCT**SALICYLIC PEEL****PROFISSIONAL 100 ML****PACK PEELING****INDICATIONS**

- **Oily skin**
- **Acne**
- **Acne Scars**
- **Blackheads/ Dark spots**
- **Enlarged pores**

**NECESSARY
PRODUCTS**

- MCCM Cleansing Milk / Limpiador 2&1
- MCCM Facial Tonic
- Salicylic_1 Peel (15%) / Salicylic_2 Peel (20%) (Included in the pack)
- Neutralizing Spray 50 ml (included in the pack)
- Post Peeling Mask (included in the pack)
- Oligoelements
- XR Magic Serum
- Hydraface (included in the pack)
- Pantalla Solar 50+

PROCEDURE

1. Perform skin diagnosis
2. Cleanse eyes and mouth with MCCM Cleansing Milk (or Limpiador 2&1)
3. Apply MCCM Cleansing Milk to face and neck
4. Remove with wet mitts
5. Apply MCCM Facial Tonic
6. Apply wet cotton pads in client's eyes
7. Apply Salicylic_1/Salicylic_2 with a brush following the steps below: Forehead -> Cheekbones -> Central zone of the face -> Chin
8. Can also apply the peeling in the neck and décolleté, having in consideration the sensitivity to the product (recommended only after the 1st session)
9. The time of application is 1 minute. For the Salicylic acid 20% we don't recommend more than 1 minute. This peeling act very fast, creating a strong tingling.
10. Remove with wet mitts (cold water) as soon as the client start to feel a slight sensation of redness and heat in the skin;
11. Apply the Neutralizing Spray
12. Remove the Neutralizing Spray with wet mitts; Apply the Neutralizing Spray again and remove;
13. NOTE: When removing the peeling with wet mitt/towel the client will feel a little more the reaction of the peeling; regarding this, the movements to remove need to be faster to release that sensation.
14. Apply the Oligolements on all the area.
15. Apply the Post Peeling Mask on the face and double chin (20 min.);
16. Remove Post Peeling Mask with wet mitts.
17. Apply XR Magic Serum on the face, décolleté and neck.
18. Apply Regenerator cream on the face, décolleté and neck.
19. Apply Pantalla Solar 50+ on the face, décolleté and neck.
